## Invest in Energy Efficiency and Save Money for Years to Come!

If you're getting a tax refund, consider spending it on energy efficiency improvements in your home or business to reduce your energy costs. We offer **rebates for the installation of high-efficiency natural gas equipment** and **energy efficiency lighting**. There's an opportunity right for you – whether you want to save at home or at your business.

### For your home:

When you install qualifying high-efficiency natural gas equipment, you could **save as much as \$156 a year** and be eligible for a **rebate (up to \$560)** through our **residential natural gas rebate program**. Learn more by visiting [nyseg.com](http://nyseg.com) or call our energy efficiency hotline at **1.800.995.9525**.

### For multi-family buildings:

Use your refund to upgrade to energy-efficiency lighting. We provide **incentives up to 70% of the cost**. Eligible buildings must have between 5 and 50 units. Property owners and agents can learn more by visiting [nyseg.com](http://nyseg.com) or call **1.800.444.5668**.

We also offer **rebates to eligible electricity and natural gas commercial, industrial, municipal and institutional customers**. Learn more by visiting [nyseg.com](http://nyseg.com) or call **1.888.316.8023**.

### Put yourself in the driver's seat when it comes to managing winter energy bills

- **Compare and shop for your energy supply.** You can purchase your energy supply from NYSEG (at a variable rate) or one of many suppliers, also known as energy services companies or ESCOs. Learn more including questions to ask suppliers at [nyseg.com](http://nyseg.com) and compare prices at [newyorkpowertochoose.com](http://newyorkpowertochoose.com). With any supplier you choose, NYSEG will continue to deliver your energy safely and reliably.
- Complete a **room-by-room assessment** of your energy use with our **Energy-Wise Checklist**.
- Read our **Home Energy Use Guide** to understand how your energy dollars are spent.
- Take our **Energy IQ Test**.
- Enroll in our **Budget Billing service** so you can anticipate your monthly payment. When you sign up, we'll divide your yearly bill into 12 equal payments and send you a bill each month.

To learn more about energy supply choices and energy assessment tools visit [nyseg.com](http://nyseg.com) and click on "Take Action to Manage Winter Bills." You can also enroll in many of our programs at the same time.

## Our Customers LOVE Our Payment Options!

We offer a variety of convenient billing and payment options to help simplify your life. Here's what our customers are saying about **eBill** and **Autopay**...

"Enrolling in **eBill** and **Autopay** was as easy as a few clicks and it's one less bill I need to worry about."  
- Rebecca S.

"**eBill** helps us cut down on paper, and allows us to check our account online at our convenience."  
- Angela and Rick M.

"I can view my bill online with a few easy clicks. I know exactly when my bill comes out each month because I get a friendly email."  
- Diane C.

HEAP is a federal program providing financial assistance to eligible households (refer to left for guidelines). HEAP grants can be used to pay energy bills and for energy-related repairs and weatherization. **Act today! The 2014-2015 HEAP season is now open. It will close when funds are exhausted. Emergency HEAP opened January 2, 2015 and closes March 16, 2015 or when funds are exhausted.** For more information, visit [otda.ny.gov/main/programs/heap](http://otda.ny.gov/main/programs/heap). Customers can also log onto [mybenefits.ny.gov](http://mybenefits.ny.gov) to apply.

NYSEG's EAP offers monthly bill credits automatically to eligible customers with a HEAP grant on an active NYSEG account. If your HEAP grant is supplied to an account with another fuel vendor, provide a copy of your HEAP award letter to the **Energy Assistance Program, NYSEG, P.O. Box 5220, Binghamton NY 13902**. Or fax it to **1.800.325.9920**. EAP also offers a Limited Benefit through arrears forgiveness. For more information, visit [nyseg.com](http://nyseg.com), click on "Your Account," and then on "Energy Assistance: HEAP and EAP Can Help."

## Your Dollars Can Help Those Facing Energy Emergencies

Join our company, our other customers and employees in helping veterans, active military personnel and others in need by making a donation to the **Project SHARE Heating Fund**. Since 1982, this fund has helped 56,575 families with grants totaling more than \$15 million.

We have three easy ways you can make your donation to the Project SHARE Heating Fund:

1. Through Automatic Giving by having us add a whole dollar amount to your future NYSEG bills – visit [nyseg.com](http://nyseg.com), click on "Giving Back," then "In the Community," and then on "Project SHARE Heating Fund."
2. Add exactly \$1, \$2 or \$5 to your next NYSEG bill payment.
3. Send a check in any amount payable to HeartShare Human Services of New York, 12 Metro Tech Center, 29th Floor, Brooklyn, NY 11201.

Thank you!
